# Pressemateriale

## Stemmer i Stilheden

Stemmer i Stilheden er en hjemmeside med undervisningsmateriale, som kan bruges i sammenspil med animationsfilmen af samme navn. Filmen er 18 minutter og handler om den dengang 14-årige Bent Melchior og hans families flugt til Sverige i oktober 1943. Sammen med undervisningsmaterialet inviterer filmen til debat, der skal være med til at forhindre, at historien gentager sig.

## Press kit

### Voices in the Void

Voices in the Void is a website with educational material that can be used in conjunction with the animated film of the same name. The film is 18 minutes long and is about the then 14-year-old Bent Melchior and his family's escape to Sweden in October 1943. Together with the teaching material, the film invites debate, which must help prevent history from repeating itself.
